SALES CONDITIONS :

The software are distributed by Vola-Racing.ch, a swiss company.

The prices and the invoices are in CHF (Swiss Francs)

These prices may be revised without notice particularly according to the exchange rate between the Euro and CHF (Swiss Francs)

The VAT applicable in Switzerland is 7,7 %

Our software are free in « Free mode ». The differences between « Free » and « Extended » versions are explained on our website

The functioning in « Extended » mode requests a USB hardware protection key (dongle) correctly coded for the version used.

The price of the dongle is **CHF 95.-** to which you must add CHF 20.- for transport outside Switzerland, CHF 10.- within Switzerland

You may code several software on one dongle

The dongle must be installed on the PC that runs the software Vola-Pro (i.e Msports-Pro, SkiAlp-Pro, Equestre-pro, etc..)

If you buy several licences (software), you may have to know whether you will time several events simultaneously or not

Only the latest versions of Vola software are available on our website

We take no responsibility for loss, theft or break of the dongle (protection key) and the licences that it contains

How to buy :

Send your order by e-mail to sales@vola-racing.ch and write your billing adress, delivery adress and telephone number

Vola-racing.ch will send you a proforma invoice with a secured link for payment by credit card or bank transfer

You do the payment. If you pay by bank transfer, please send a copy of the transfer by e-mail to sales@vola-racing.ch

If your order contains a dongle, Vola-Racing.ch will send you the dongle soon after the reception of your payment

If you already have a dongle, please send us your codes and Vola-Racing.ch will send you the new passwords to activate your dongle
